35 PORTRAIT OF LEO X WITH
CARDINALS GIULIO DE' MEDICI
AND LUIGI DEI ROSSI

FLORENCE, UFFIZI, PANEL, CM. 154X119

One of Raphael's last works, this triple portrait shows Leo X with two cardinals, both of whom were related to him. The objects on the table, the illuminated Book of Hours and the finely engraved belt, allude to the refined tastes of this patron pope and the splendour of his court.
