25th ANNIVERSARY OF THE CORONATION 1953

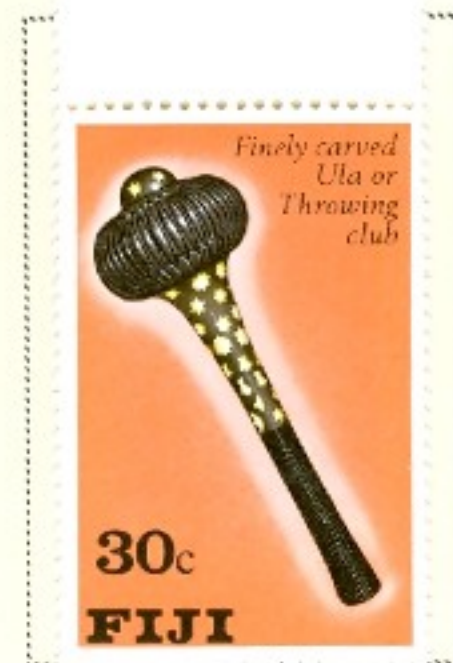

The White Hart of Richard II on the Chapel of St. George's, Windsor, was used as a badge by Richard, son of the Black Prince and Joan the Fair Maid of Kent. It is derived from his mother's White Hind. Banded Iguana (*Brachylophus fasciatus*) found only on Fiji and Tonga, is emerald green in colour. The male has bands of blue-grey or brown.
