La *Lassa* è un antico gioco invernale, precursore del bob. Su una pista di neve ghiacciatissima, preparata accuratamente nelle vie della città, si scivola a cavalcioni della *scorruccia*, un piccolo seggiolino in legno.

Il *Saltarello* si gioca tracciando col gesso una figura con sette caselle e tirando a turno un sassolino in una casella. Vince chi riprende il sassolino saltando attraverso tutte le caselle su un piede solo e senza montare sulle righe.

Lassa is an old winter game, forerunner of bobsledding. On a carefully prepared frozen snow track in the city streets, one sits astride a little wooden seat called *scorruccia* and slides down.

The game *Saltarello* is played by drawing with a chalk a special design on the road and throwing a pebble, in turn, into one of the seven boxes. The winner is the one who hops over all the boxes without touching the lines and retrieves the pebble.
